PROJECTS

Sainsbury's Bank Intermediary Residential Mortgage Affordability Calculator

- Redeveloped the intermediary residential mortgage calculator to implement ES6, unit testing and improved accessibility.

Sainsbury's Bank Loan Calculator

- Increased customer conversions for loan application by enhancing the loan calculator with extra features, improved accessibility and creating a new user interface.

WORK EXPERIENCE

Web Developer

Feb. 2018 – Present

Sainsbury's Bank, Edinburgh, UK

- Worked as part of the Project Slingshot team to optimize the bank's public website with the goal of driving conversion.
- Optimised inefficient methods of working by developing a variety of build processes.
- Delivered tasks on time despite the limitations of the bank's systems and platforms.
- Approached the bank's limitations as an opportunity to challenge myself to implement clever solutions.

Freelance Web Developer

Dec. 2017 – Feb. 2019

The Rolling Sloane, Edinburgh, UK

- Designed and developed a responsive website for APlus Consulting.
- Communicated regularly with clients to ensure their expectations were met and that they were kept up to date with the progress of the project.

Junior Web and Application Developer

Sept. 2017 – Nov. 2017

Optimise Web, Edinburgh, UK

- Implemented bespoke Magento modules and extensions.
- Resolved client support issues using the Optimise Solutions CRM and project systems.

Internship

Mar. 2017 – Jun. 2017

SovTech, Johannesburg, SA

- Worked as part of an agile team on a variety of projects.
- Assisted with website and application testing.

EDUCATION

Mobile Web Specialist, Udacity

Nov. 2018 – Present
